#### WHEW!

#### Nevsr Did We Have in These Parts Such Cold Weather.

No record of such extreme cold weather as yesterday exists, and a record has been carefully kept in this city for probably eighty years at least.

Dr. George Hildreth, the man looked to generally as having true instruin the simplest, easiest, quickest ments, had three thermometers expos-26 below. The Doctor thinks that the far as can be learned, are as follows: o'clock in the morning.

At James S. Devol's up the Muskingum, the mercury showed 36 below, and the civil war as a private in company three thermometers proved the mark Putnam to be true.

Street At D. W. Devol's 33 degrees was marked on a self-registering thermom-

> and Macksburg, these places showing 41 and 39 degrees below, respectively. With all this very extreme cold weather, we have heard of no actual suffering. The gas has stayed with us very well, a fact that is due no doubt to the fact of enow which lies on the ground.

Business is almost nil, the only hings being done are those being impelled by necessity.

Dating back, the next coldest winter was that of '52, when the thermometers were two or more degrees higher in their showings.

#### 15 BELOW 0,

Yet Three People Were Immersed at Coal Run.

On Thursday a highly unusual hapening occurred at Coal Run-an event in which warm Christian ardor showed its fearlessness to perform that which brought about the extreme discomfort.

Our correspondent from Coal Run

mys of the occurrence: "Rev. Mr. Wharton, of the Christian thurch, has been holding a series of meetings at the church at this place, and Thursday evening extended the usual invitation, which was responded to by three persons-one lady and two gentlemen.

Thereupon the minister, the can-Fully equipped with all the didates and the audience proceeded at once to the Muskingum river; and at 9 p. m., with the mercury at 15 deappliances for the successful grees below zero, the rite of immersion management of the work of Elec- was administered to the three candidates, all of whom are persons in mid-
